Orbira Atlanta

Introductions that come with a reason.

Orbira introduces you to a few professionals in metro Atlanta worth meeting, and tells you both why. No feed, no followers, no messaging before a yes.

HOW IT WORKS

1 Say what you offer and what you need

One sentence each: an Offer and an Ask.

2 Get a few introductions a week

People in Atlanta worth meeting, each with a reason.

3 Say yes before messaging opens

A request carries one short note. Ongoing messaging opens only after acceptance.

4 Meet

Over coffee, on a private video call in Orbira, or at a small local gathering.
